THE PUBLIC SERVICE COMMISSION OF
SOUTH CAROLINA

DOCKET NO. 2004-357-WS - ORDER NO. 2005-649

NOVEMBER 3, 2005

IN RE:	Application of Carolina Water Service, Inc. for)	ORDER GRANTING
	Adjustment of Rates and Charges and)	SUBSTITUTION OF
	Modification of Certain Terms and Conditions)	COUNSEL
	for the Provision of Water and Sewer Service.)	

This matter comes before the Public Service Commission of South Carolina (the Commission) on request to substitute counsel in the present proceeding concerning Carolina Water Service, Inc.'s application for adjustment of rates and charges and modification of terms and conditions for water and sewer service. On March 3, 2005, the South Carolina Department of Health and Environmental Control (DHEC) filed a Petition to Intervene and consequently became a formal party of record to the present proceeding. At the time of the filing for intervention, counsel of record for DHEC was Jessica J. O. King, Esquire.

On October 25, 2005, Julie F. McIntyre, Esquire, filed a Notice of Appearance of Counsel informing the Commission of her representation as counsel of record for DHEC in this proceeding. Accordingly, Ms. McIntyre requests that Jessica J. O. King, Esquire, be withdrawn as counsel for DHEC. At its regularly scheduled Commission meeting on November 1, 2005, this matter was brought before the Commission for decision.

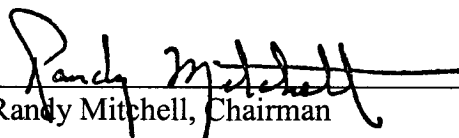

Upon consideration of DHEC's request to substitute counsel, the Commission determines that the request should be granted. We find that no party will be prejudiced by such substitution.

IT IS THEREFORE ORDERED THAT:

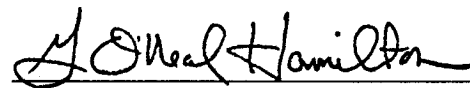

1. The request of the South Carolina Department of Health and Environmental Control to substitute counsel is granted, and Julie F. McIntyre, Esquire, is the attorney of record for the South Carolina Department of Health and Environmental Control in the instant proceeding.

2. This Order shall remain in full force and effect until further order of the Commission.

BY ORDER OF THE COMMISSION:

Randy Mitchell, Chairman

ATTEST:

G. O'Neal Hamilton, Vice Chairman
